## 41 Keys

★ MT3 /dev/tty

The diagram illustrates a 41-key keyboard layout. On the left is a numeric keypad with keys 0-9, a 1 key highlighted in grey, and a 0 key. The main keyboard area consists of three rows of keys. The top row includes keys for symbols like !, @, #, \$, %, ^, &, \*, (, ), and a Delete key. The middle row features arrow keys (left, down, up, right), a tilde key (~), and a key with a tilde and underscore symbol. The bottom row contains a Caps Lock key, an equals/underscore key, square bracket/brace keys, a backslash/pipe key, Home, End, Page Up, Page Down, Print Screen, and a key labeled 'RSft\_T Space'. A red 'Enter' key is positioned below the main keyboard area. To the right of the keyboard, the text '41 Keys' is displayed.
